BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

INTENT

NEW SECTION. **Sec. 1.** The people want to ensure short-term and long-term protection from state tax and fee increases for individuals, families, businesses, and our state's economy.

The people find that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices, the legislature needs information to evaluate whether the continuation of recently enacted tax increases is in the public interest.

To effectuate this finding, this measure requires tax increases to expire one year after taking effect unless approved by a two-thirds vote of the Legislature or majority vote of the people, requires legislative approval for fee increases; and require people's advisory votes to ask the voters whether the legislature should let the people decide on a 2/3-for-taxes constitutional amendment.

The people want to ensure that tax and fee increases are consistently a last resort.

PROTECTING TAXPAYERS BY LIMITING THE DURATION OF LEGISLATIVE TAX INCREASES UNLESS APPROVED BY A TWO-THIRDS VOTE OF THE LEGISLATURE OR MAJORITY VOTE OF THE PEOPLE

NEW SECTION. **Sec. 2.** A new section is added to chapter 43.135 RCW to read as follows:

(1) After January 1, 2016, any tax increase imposed by the Legislature in any given year expires on March 1 of the following year unless the tax increase was approved by a two-thirds vote of the legislature or majority vote of the people.

(2) For the purposes of this chapter, "tax increase" has the same meaning as "raises taxes" in RCW 43.135.034 and section 7 of this act.

Sec. 3. RCW 43.135.034 and 2015 3rd sp.s. c 44 s 421 are each amended to read as follows:

(1) (a) Any action or combination of actions by the legislature that raises taxes (~~((may be taken only if))~~) expires on March 1 of the following year unless approved by a two-thirds vote in both the house of representatives and the senate. Pursuant to the referendum power set forth in Article II, section 1(b) of the state Constitution, tax increases of any duration may be referred to the voters for their approval or rejection at an election.

(b) For the purposes of this chapter, "raises taxes" means any action or combination of actions by the state legislature that increases state tax revenue deposited in any fund, budget, or account, regardless of whether the revenues are deposited into the general fund.

(2) (a) If the legislative action under subsection (1) of this section will result in expenditures in excess of the state expenditure limit, then the action of the legislature may not take effect until approved by a vote of the people at a November general election. The state expenditure limit committee must adjust the state expenditure limit by the amount of additional revenue approved by the voters under this section. This adjustment may not exceed the amount of revenue generated by the legislative action during the first full fiscal year in which it is in effect. The state expenditure limit must be adjusted downward upon expiration or repeal of the legislative action.

(b) The ballot title for any vote of the people required under this section must be substantially as follows:

"Shall taxes be imposed on in order to allow a spending increase above last year's authorized spending adjusted for personal income growth?"

(3) (a) The state expenditure limit may be exceeded upon declaration of an emergency for a period not to exceed twenty-four months by a law approved by a two-thirds vote of each house of the legislature and signed by the governor. The law must set forth the nature of the emergency, which is limited to natural disasters that require immediate government action to alleviate human suffering and

provide humanitarian assistance. The state expenditure limit may be exceeded for no more than twenty-four months following the declaration of the emergency and only for the purposes contained in the emergency declaration.

(b) Additional taxes required for an emergency under this section may be imposed only until thirty days following the next general election, unless an extension is approved at that general election. The additional taxes expire upon expiration of the declaration of emergency. The legislature may not impose additional taxes for emergency purposes under this subsection unless funds in the education construction fund have been exhausted.

(c) The state or any political subdivision of the state may not impose any tax on intangible property listed in RCW 84.36.070 as that statute exists on January 1, 1993.

(4) If the cost of any state program or function is shifted from the state general fund to another source of funding, or if moneys are transferred from the state general fund to another fund or account, the state expenditure limit committee, acting pursuant to RCW 43.135.025(5), must lower the state expenditure limit to reflect the shift. For the purposes of this section, a transfer of money from the state general fund to another fund or account includes any state legislative action taken that has the effect of reducing revenues from a particular source, where such revenues would otherwise be deposited into the state general fund, while increasing the revenues from that particular source to another state or local government account. This subsection does not apply to: (a) The dedication or use of lottery revenues under RCW 67.70.240(1)(c), in support of education or education expenditures; (b) a transfer of moneys to, or an expenditure from, the budget stabilization account; or (c) a transfer of money to, or an expenditure from, the connecting Washington account established in section 106 of this act.

(5) If the cost of any state program or function and the ongoing revenue necessary to fund the program or function are shifted to the state general fund on or after January 1, 2007, the state

expenditure limit committee, acting pursuant to RCW 43.135.025(5), must increase the state expenditure limit to reflect the shift unless the shifted revenue had previously been shifted from the general fund.

PROTECTING TAXPAYERS BY REQUIRING LEGISLATIVE APPROVAL FOR FEE INCREASES

Sec. 4. RCW 43.135.055 and 2013 c 1 s 4 are each amended to read as follows:

REQUIRE LEGISLATIVE APPROVAL FOR FEE INCREASES: (1) A fee may only be imposed or increased in any fiscal year if approved with a simple majority vote in both the house of representatives and the senate. Only the legislature may set the amount of a fee increase and must be expressly stated in legislation to ensure that the fee increase is((must be)) subject to the ten-year cost projection and any other accountability procedures required by RCW 43.135.031.

(b) After January 1, 2016, any fee increase that is not set in legislation enacted by the legislature expires on December 31st of the same year in which it was enacted by the legislature to ensure compliance with the requirements of this section and to provide accountability and transparency. For purposes of this section, "fee increase" includes a new fee or an increase in an existing fee, including those related to Title 47 RCW and Title 28B RCW.

(2) This section does not apply to an assessment made by an agricultural commodity commission or board created by state statute or created under a marketing agreement or order under chapter 15.65 or 15.66 RCW, or to the forest products commission, if the assessment is approved by referendum in accordance with the provisions of the statutes creating the commission or board or chapter 15.65 or 15.66 RCW for approving such assessments.

The press release required by this subsection must include all the information required by subsection (1) of this section and the names of the legislators, and their contact information, who are members of the legislative committee conducting the hearing so they can provide information to, and answer questions from, the public.

cost projection due to amendment or other changes during the legislative process, must promptly and without delay report the results of its most up-to-date analysis by public press release via e-mail to each member of the house of representatives, each member of the senate, the news media, and the public, and must post and maintain these releases on its web site. (6) For the purposes of this section, "the public" means any person, group, or organization that signs up with the office of financial management to receive the public press releases by e-mail.

Sec. 6. RCW 43.135.041 (Tax legislation – Advisory vote – Duties of the attorney general and secretary of state – Exemption) and 2013 c 1 s 6 are each amended to read as follows:

(b) If legislative action raising taxes enacted after July 1, 2011, involves more than one revenue source, each tax being increased shall be subject to a separate measure for an advisory vote of the people under the requirements of this chapter.

(2) No later than the first of August, the attorney general will send written notice to the secretary of state of any tax increase that is subject to an advisory vote of the people, under the provisions and exceptions provided by this chapter. Within five days of receiving such written notice from the attorney general, the secretary of state will assign a serial number for a measure for an advisory vote of the people and transmit one copy of the measure bearing its serial number to the attorney general as required by RCW 29A.72.040, for any tax increase identified by the attorney general as needing an advisory vote of the people for that year's general election ballot. Saturdays, Sundays, and legal holidays are not counted in calculating the time limits in this subsection.

(3) For the purposes of this section, "blocked from a public vote" includes adding an emergency clause to a bill increasing taxes, bonding or contractually obligating taxes, or otherwise preventing a referendum on a bill increasing taxes.

(4) If legislative action raising taxes is referred to the people by the legislature or is included in an initiative to the people found to be sufficient under RCW 29A.72.250, then the tax increase is exempt from an advisory vote of the people under this chapter.

"Over the past 20+ years, the voters of Washington have, five times, overwhelmingly passed initiatives requiring two-thirds legislative approval or voter approval to raise taxes. Despite this clear message from the people, not once has the legislature given the voters the opportunity to vote on a 2/3 for taxes constitutional

amendment. This year, again, the Legislature ignored the voters' clear mandate and refused to let the people vote on it.

It is long overdue for the legislature to give the voters the chance to decide, once and for all, on a 2/3 for taxes constitutional amendment mirroring voter-approved Initiatives 960, 1053, and 1185."

Sec. 47. RCW 29A.32.070 (Format, layout, contents) and 2013 c . . . s . . . , 2009 c 415 s 5, 2008 c 1 s 13, 2003 c 111 s 807, prior: 2002 c 139 s 2, & 1999 c 260 s 5, as now existing or hereafter amended, are each repealed.
